To whom it may concern

Experience Certificate

This letter is to certify that **Mr. Abdullah Salim Al Hadidi** worked at the Engineering Village, from April 2018 until December 2020.

Abdullah joined Engineering Village as part of a training program. He demonstrated exceptional skills in implementing the tasks assigned to him within his field of specialization, which contributed to him being nominated to work with the Engineering Village team as an assistant facilitator. He also assisted students and individuals working on projects and offered guidance in programming, basic electronics, and 3D design fundamentals. He also had a pivotal role in customer service in the sales department. We believe that his abilities and practical skills will enable him to adapt and innovate in various fields, and we wish him more success in his professional life.

If you want more information, don't hesitate to get in touch on 96646050.

Yours sincerely...

Basmala bint Khaled Al Shaidi
